CD Filing Batch Identifier Sheet

CD Filing Batch Identifier Sheet (Cont)

- Mandatory Fields
 - Application Information
 - Employer Information
- Optional Fields
 - Applicant Attorney Information
 - Insurance Carrier Information
 - Defense Attorney Information

Case number when the EAMS Case number is unknown.

Completing Companion Case information

Documents can be received in companion cases, if any.

If EAMS case number is unknown, list the Legacy case number.

Companion Case Number

	DJ 832472
	AO 0094832
	AO 0098736

Document Type and Title

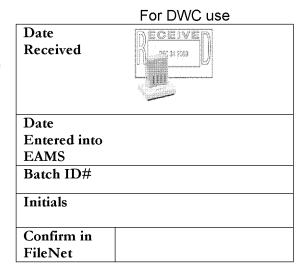

Specified **Document Types** and **Document Title** are required for submission to FileNet.

DOC TYPE *	DOC TITLE	AUTHOR (FIRST AND LAST)	DOC DATE (MM/DD/YYYY)
Misc	CD Filing Batch Identifier Sheet	Jane Seymour	08/11/2008
Legal	DOR	Jane Seymour	08/11/2008
Medical	QME Report	Dr. Jimmy Jones	06/01/2008
Medical	QME Report	Dr. Jimmy Jones	07/18/2008

Document Titles are appended at the end of these instructions.

Date Received

The Date Received box will be stamped on the date in which the CD and CD Identifier Sheet(s) are received by DWC.

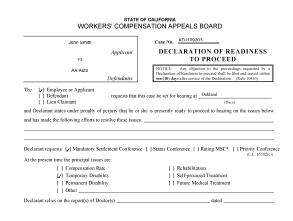

Legacy Forms

EAMS eForm

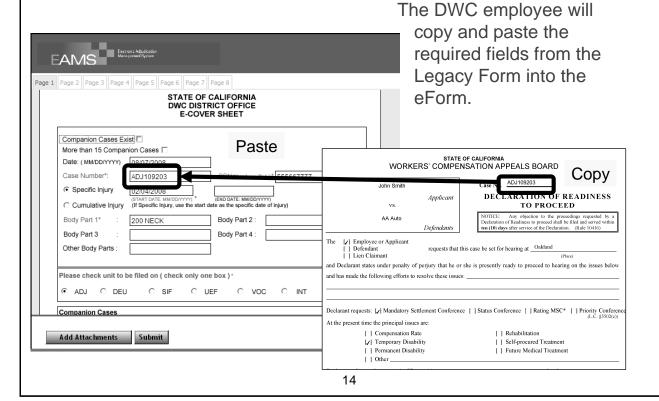

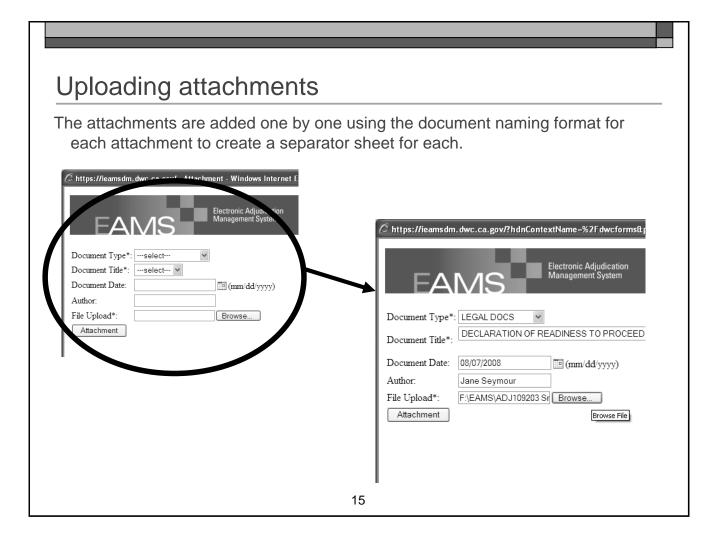

Legacy Form (PDF format)

When a Legacy form and supporting documents are submitted, the DWC staff member will place the eForm on one screen and the Legacy form on the other screen.

Transfer of Data from Legacy Form to EAMS eForm

Batch submission

The batch is uploaded into FileNet and a

Batch ID number is returned.

Submission of this eform through EAM constitutes service upon any internal DWC unit.

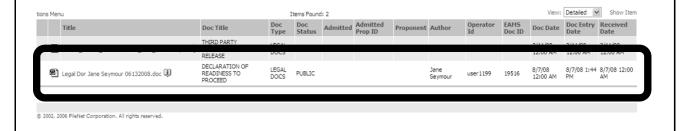

Batch ID: 42673

Date: 08/07/2008 01:39:50

OK

The next business day a DWC staff will confirm entry into FileNet.

FileNet displays all document associated to a case at the unit level. FileNet allows users to search for documents that were uploaded into EAMS.

☐ ☐ Internet

Documents submitted are processed in the overnight batch run and will be available for viewing the next business day.
